

Specsavers

Make your vision benefits go further with us

With cost identified as the leading barrier to receiving eyecare in Canada*, **support a healthier workforce** and help plan members get more from their existing vision benefits with our eyewear offers and comprehensive eye exams.

A partnership with Specsavers includes:

- Direct billing with over 40 insurance providers
- Convenience and accessibility, with 265+ locations Canada wide
- Access to expert eyecare, including OCT eye health scans
- Unique discounts on a variety of eyewear and contact lenses
- Dedicated account management and regular reporting

Eye exams are provided by independent optometrists, who in some cases may be an owner of the Specsavers retail store.

*Findings from the Specsavers Canada Eyecare Report 2025 (Angus Reid national survey, Feb 2025; n=2,022; weighted); cost is the leading barrier (51%). For more details, visit specsavers.ca/eye-health/eyecare-report.
